Dear Alabama Aquatic Nuisance Species Task Force Member,

The Second Meeting of the Alabama Aquatic Nuisance Species Task Force (ALANSTF) will be held on Tuesday, November 8, 2005, at the Auburn University Solon Dixon Forestry Education Center in Andalusia. The AU Solon Dixon Forestry Center is located about 18 miles south of Andalusia (see directions below). We will be meeting in the classroom/auditorium. To accommodate those traveling from Mobile and Montgomery and can't stay overnight, we will get started at 9:30am and end no later than 4:00pm. For those traveling overnight, there are several hotels in Andalusia to stay (contact info is below). If you plan on attending and staying overnight, I would advise making reservations ASAP. A cafeteria is located at the Center and because of the travel distance to Andalusia, we will eat lunch at the Center. The cost for lunch is \$7.50. I need a count of participants for lunch preparation, so please let me know no later than November 1, 2005, if you plan on attending or not.

Looking forward to another productive meeting,
Steve Rider

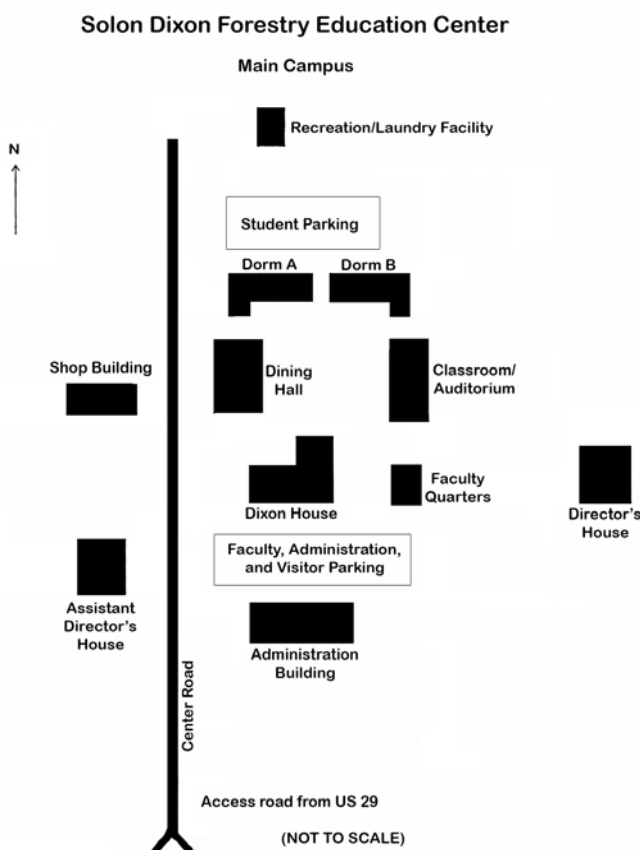

Direction to the AU Solon Dixon Forestry Education Center

12130 Dixon Center Road
Andalusia, AL 36420
